### Discussion Questions:

- Can someone give a testimony of a time when God answered your prayer? Why is it important for us to pray?
- In our story, Jesus taught about prayer. How many times did He say, "When you pray?" Why do you think He said, "When you pray," instead of, "If you pray?"
- Where did Jesus say that "the hypocrites" liked to pray and what was their motive? What did Jesus say about their reward? What is a hypocrite?
- Where did Jesus say we should go to pray? When we do this, what did Jesus say the Father would do? Do you have a special place where you like to pray?
- Do you think it's important to pray every day? Why or why not? How much time should we spend in prayer? When is the best time for you to pray?
- Why should we not repeat meaningless phrases when we pray? Why must we pray sincere prayers from the heart instead of elegant prayers to impress others?
- What did Jesus say the Father knows about our needs even before we ask? Why is it still important for us to pray about our needs?
- In Jesus' model prayer, there is praise, intercession, petition, and confession. This is *an example to follow*. When we pray, why is it important to spend some time giving thanks and praise to God? Why should we confess our sins to God? Why should we intercede for others? Why is it important for us to pray for ourselves?
- Like daily Bible reading, prayer is a vital spiritual disciple. What did you learn from this study that can help you have a more consistent and faithful prayer life?

**Prayer:** Let's pray for one another today to be faithful in the daily spiritual discipline of prayer.

### Bi-Monthly Mission Project Notes:

Read carefully one chapter of the New Testament five days a week. In each chapter look for a . . .  
Sin to Confess / Promise to Claim / Attitude to Change / Command to Obey / Example to Follow.
